The Cooperative Purchasing Advantage

Purchasing Made Personal.

Who Is TIPS?

The Interlocal Purchasing System (TIPS) is a national purchasing cooperative administered by Region 8 Education Service Center. TIPS provides public entities access to contracts for a broad range of products and services established through a competitive RFP and award process, helping members streamline procurement and make more efficient use of their time and resources.

A Simpler Path Through Cooperative Purchasing

1. Identify Requirements
2. Configure Solution
3. Execute Project

Fast, Simple, Three-Step Process

vs.

Traditional Procurement Process

1. Identify Proejct Need
2. Engage Professional / Consultant
3. Develop Scope & Specifications
4. Prepare Solicitation
5. Advertise Solicitation
6. Receive Responses
7. Evaluate Responses
8. Complete Approvals
9. Award Contract
10. Finalize Contract
11. Issue P.O.
12. Coordinate Requirements
13. Execute Project

Lengthy Multi-Step Process

Cooperative Purchasing Confidence
